

# MyChart keeps everything organized

MyChart® licensed from Epic System Corporation ©1999–2023.

MyChart is your "one-stop-shop" for immediate access to benefits, claims, premium payments, and important plan documents like your Certificate of Coverage and Summary of Benefits and Coverage (SBC).

## Get immediate access to key MyChart features:

<a href="#">View benefits information</a>	<a href="#">Send a message to Customer Success</a>	<a href="#">Start an urgent care video visit</a>
<a href="#">Change your primary care provider</a>		<a href="#">Check claims status</a>
<a href="#">View frequently asked questions</a>	<a href="#">Take a health risk assessment</a>	<a href="#">Set up paperless communications</a>

And don't forget you can go paperless and access our new **cost estimator tool!**

You can also **link MyChart accounts** from various participating organizations. Click on "Link My Accounts" in the menu options and once linked, you will be able to see unread messages, test results, and more – all within your Quartz MyChart account.

## Get started today:

1. Go to [QuartzMyChart.com](https://QuartzMyChart.com)
2. Click on "Sign up now"
3. Follow the prompt for instant activation

If you have any questions about MyChart or about your specific benefits, please contact Quartz Customer Success at **(800) 362-3310**.

## Go mobile and get the app!

Search for **Quartz MyChart** in your app store.

Message and data rates may apply.
